1. I come and I call and I conquer and I do what I say I will do. You have come and you have called and you have conquered because you have let Me, you have let Me come in you, you have let Me call you and you have let Me conquer you. You have come. You have come and you have called. You have called and you have conquered. You have let Me, you've let Me come and you've let Me call and you've let Me conquer. You have asked Me to come. You have asked Me to call. You have asked Me to conquer. You have begged Me. You begged Me to come and you came and you didn't make Me beg you. You let Me call you and I call you without begging, without pleading. You came and you honored Me and I honor you. I honor you now as you honor Me and lift Me high and I draw all men unto Me.
2. Watch Me. In to Me. In to Me see. Watching Me, Watching Me, in to Me see what I do and what I will do with you and through your begging Me to come, begging Me to call you, begging Me to conquer you; begging Me for **correction, discipline and judgment**; begging to know Me in intimacy, begging Me to bash you even, but not let you be deceived. I love you and I give you Me.
3. Enjoy My receipt, My receiving, My giving, My handing you My people to hand them to Me--garnered, garnished, eating delectables of Me in My gardens: My gardens of mercy, My gardens of Christ; mature and more mature, maturity growing, maturity growing, maturity encompassing, maturity reproducing much fruit, many fruit, multi-colored fruit, hues and colors of only Me. I love you.
4. I live. I lie not. I love and I come and I call and I come now and I say thank you as you have come to say thank you and seek My face.
5. Out in mid-air again; out in mid-air off higher dives with deeper depths and broader breadths.
6. My world, My worldly ones not. My world, My worldly ones yes. My who seek Me. My who mature come to maturity become. I love you.
7. I love you. Joy in Me as I enjoy this day, this time, **My WeekWorkers who come who WeekWorks make**, refining My process, My instruments, My measurements, My precision of only Me; My structures, infrastructure refined, defined, matured. Thank you. I love you and I give you Me.
8. In to Me see, see My infrastructure more clearly, **My structure coming forth, My priesthood of all believers Melchizedek'd after only Me**. I love you and I give you Me.
9. Go forth in joy. Go forth in joy and let them speak and I will speak, and I will speak to them, through them, with you, to you, through you, with you all, altogether one;

coming forth in covenant, My covenant, My love, My life, My blood, My newness of only Me shining forth, My radiance, My glory. Authorize, deputized bringing forth My power, My power and My authority in My gloried ones this day. I thank you. Let Me be Me.

10. I give you praise, honor and glory for bringing forth the praise and honor and glory to Me this morning in My WeekWorks, My night last night, your night/My day, My morning, My week, My week of weeks many making. I love you.

11. My mighty many comes forth in networks, webs of constellations of only Me. I love you.

12. See Me and in to Me see, helping them see further, farther, broader, deeper, clearer you are, in Me. Thank you.

13. Go enjoy this day, My day, My time, My glory, My power, My authority in you, in Me. Thank you. Thank you very much. I love you.

14. Intimacy show, intimacy display, intimacy teach. I love you.

Amen
